

BRIDEWELL THEATRE

A unique and thrilling space, the Bridewell Theatre is built over the City of London's first heated swimming pool! The viewing gallery and changing rooms remain in situ along with the original Victorian swimming pool roof and skylight, giving this historic space a dramatic and exciting atmosphere.

The theatre seats 134 in its standard configuration with raked seating and serves as a fully equipped presentation and lecture theatre. Alternatively, this seating can be removed to create a truly atmospheric ballroom or cabaret venue. Early booking is essential as the theatre is also home to a full programme of shows throughout the year.

CAPACITY

- Theatre Style 134 Standing 200.
- Please enquire for information regarding other configurations.
